UNANIMOUS VOTE TO PROVIDE CAMPAIGN FINANCE REPORTS ONLINE

Election Commission to also develop electronic method for submitting reports

Milwaukee, WI – Milwaukee County Supervisor Marina Dimitrijevic is thanking her colleagues on the County Board for unanimously approving her legislation to provide campaign finance reports on the internet. Currently, citizens must travel to the Courthouse to obtain the documents.

“With this change the County Election Commission will post all campaign finance reports from citizens and elected officials online and develop a system for allowing these reports to be filed electronically,” Supervisor Dimitrijevic said. “This enhancement is long overdue, and I’m glad we have voted to allow more sunshine in to the operations of County government.”

“This is another key step in opening up our government to the people that we serve,” Supervisor Dimitrijevic added. “As Chairwoman of the Committee on Information Technology, I am continuing my quest to providing more information to the public while reducing paper usage and lowering costs.”
